SATYANKITA SINGH DHURVE

Full Stack Developer | AI Integration
Phone: 9131467521 | Email: satyankitas@gmail.com | LinkedIn | GitHub |

PROFESSIONAL SUMMARY

Full Stack Developer with hands-on experience in building responsive and user-friendly web applications using React.js, JavaScript, Node.js, and Express.js. Skilled in developing interactive user interfaces, integrating RESTful APIs, implementing CRUD operations, and managing database interactions. Familiar with modern React concepts, backend development, API testing, and Git/GitHub for version control. Strong understanding of client-server architecture and a focus on writing clean, maintainable code, solving problems, and building efficient web solutions.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React, TanStack React Query, Vite
- **Backend:** Node.js, Express.js, MongoDB, Mongoose
- **Tools:** Github, Vercel, Axios, Canva, figma
- **AI and Integrations:** Google Gemini API (@google/genai)

PROJECTS

1. Jira Clone – Agile Issue Tracker | Live link | GitHub Link |

React.js, React Query, Axios, JSON Server

- Developed a Kanban-style task management interface to organize and track tickets.
- Implemented ticket creation, editing, deletion, and status updates.
- Integrated REST APIs and optimistic UI updates for a responsive user experience.

2. Nexus E-Commerce & Admin Portal | Live link | GitHub Link |

ech Stack: React, React Router, Context API, Axios, Vite

- Built an e-commerce storefront with product browsing and cart functionality.
- Developed an admin interface for product management and integrated application routing.
- Organized reusable React components to improve maintainability.

3. AI-Powered Applications | Live link | GitHub Link |
Node.js, Express.js, Gemini AI

- Built AI-powered mini-applications for fun facts, journal prompts, and helpful responses.
- Integrated backend API endpoints to process requests and return AI-generated content.
- Implemented request handling and error handling for API interactions.

EDUCATION

Bachelor of Computer Applications (BCA)
Eternal University | 2025–2028

CERTIFICATIONS

React.js Bootcamp | Be10X AI Tools Workshop | Global Girl Project | Milaan Foundation – Girl Icon | Discipline Coordinator Certificate.
